

Plasmacluster Ionizer Selection Guideline

1. Determine the room area (length and width), please refer to catalog for model selection
2. If have multiple air conditioner in a room, suggest use more unit of smaller model plasmacluster ionizers
3. Installation method
 - tap the power source parallel with air conditioner's blower fan
 - plasmacluster ionizer need install at cool air outlet area
 - depend on air conditioner model, you may need to fabricate a bracket to hold the plasmacluster ionizer

Plasmacluster Ionizer Supplier Contact

- 1 Supplier: ShenZhen Lideng Environmental Engineering Co., Ltd (Edda Air)
Website: <https://eddaair.en.alibaba.com/>
Contact Person: Lydia
Contact & purchase thru Alibaba Website
- 2 Supplier: Air Oasis
Website: <https://www.airoasis.com/>
Contact & purchase thru Alibaba Website

UVC Supplier List

- 1 Supplier : WH Lighting (Philips Distributor)
Website : <https://www.lighting.philips.com.my/home>
Product Code : UV-C disinfection batten
Contact Person : Ken
HP No : 019-653 3386

Ion Meter Supplier List

- 1 Supplier : Shadong Renke Control Technology
Website : <https://sdrkck.en.alibaba.com/>
Product Code : RS-NEGO-N01-2-*
Contact thru Alibaba Website
Purchase thru Alibaba Website

Ozone Meter Supplier List

- 1 Product Code : Portable Ozone Analyzer Multifunctional O3 Ozone Meter Air Detector
Purchase thru Lazada or Shopee
